FUND OUR FUTURE RALLY MAY 16

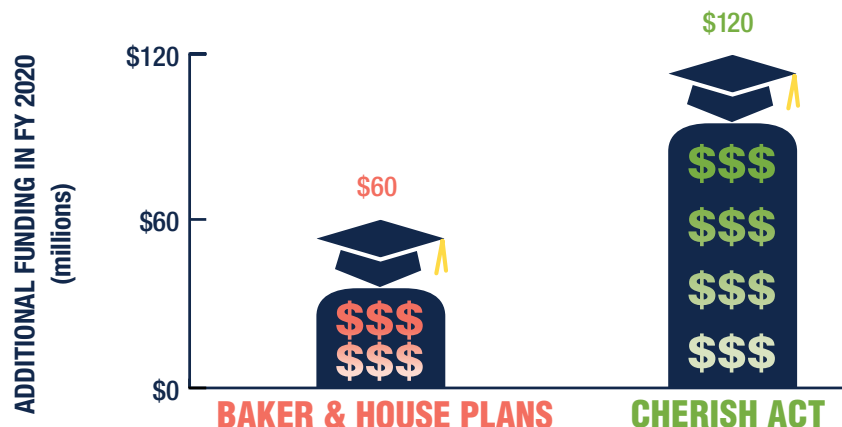

State House | 5 p.m. – or – Springfield | 4:30 p.m.

Tell your legislators that ALL students deserve a quality education!

The **Promise Act** would provide **3x** more new state aid to public schools than Governor Baker's bill when fully implemented.

The **Cherish Act** would provide **2x** more new state aid to public higher education than either the House or Baker budget plan in the coming year. It would also commit to major increases for the next five years and freeze tuition and fees.
